

While all care has been taken preparing this proof copy, accuracy of content and final approval is YOUR responsibility. Even if you have supplied content or digital files please take the time to carefully check all spelling, fonts, placement, sizes, and colours. Colours shown in the proof are indicative only. No liability will be accepted by Metal Image Ltd for goods supplied which have been approved by the client. Please mark any changes required clearly. To avoid delays in production please return a signed, dated copy of the final proof by fax or email within 24 hours where possible. Approval of proof copies via email is acceptable, and is legally binding. If any part of this proof is unreadable please contact us for retransmission at a larger size.
